

CHAPELTOWN SUB AQUA CLUB

June 2008

Dear Member,

Bath Marshalling

As you are well aware, the club provides marshals for the bath sessions on a Friday night. By providing marshals we greatly reduce the cost of hiring the baths and hence keep our subscriptions at an affordable level.

Below is the list that will be in operation from Friday 27th June. **If you are unable to fulfil your duty on the allotted night can you please arrange a substitute and inform the committee of the change.**

As you can see marshals will be on duty in pairs. Where there are less than 29 members in the pool only one marshal is required. This would allow marshals to divide the session between them.
